2. President's Update- Continuing to brainstorm fundraising ideas. Snapraise and talked about possibly getting businesses to sponsor us. They would give a donation and we give them a shout out before the halftime show. This is just an idea at this point. Other ideas: Light refreshments or waters being sold at concerts? Also just an idea at this point.

3. Treasurer's Report Update- Cathy C.- The items that have been paid for out of budget recently: the platform, buying of music, paying of staff. The Kroger card is making a little interest.
